

## REID-HALSTEAD.

## Two Well Known Young People Married Last Evening.

Miss Bernice Halstead and Dr. R. H. Reid were married at 8 o'clock in St. Andrew's Cathedral last evening by the Rev. Alex. Mackintosh. Mr. James R. Judd was best man and Miss Emily Halstead was maid of honor. The ushers were A. St. M. Mackintosh and George Wright.

The church decorations were very beautiful. There were potted palms and ferns tastefully arranged and masses of golden shower. The decorations were in charge of Miss Emily Halstead.

The ceremony was very quiet and simple. There were few people present outside the members of the family. Among them were: Mr. and Mrs. Halstead, Mr. and Mrs. Edgar Halstead, Mr. and Mrs. Frank Halstead, Mr. and Mrs. Lockland, Messrs. Frank and William Armstrong, Dr. and Mrs. C. B. Cooper, Miss Clark, Mr. and Mrs. Schmidt, Mr. and Mrs. W. R. Castle, Dr. and Mrs. McGrew, Dr. and Mrs. Day, Mr. and Mrs. Day, Mrs. Mackintosh, Messrs. Aeneas and Arthur Mackintosh, Chief Justice and Mrs. Judd and Miss Judd, Mrs. Ward, the Misses Ward, Miss Woods, Mr. and Mrs. Robert Lewers, Miss Lewers, Miss McIntyre, Mr. and Mrs. J. M. Out, Mrs. H. C. Sloggett, Miss Sloggett, Miss Juliette King, Miss Grace King.

Mr. Wray Taylor played the wedding march from Lobengrin. During the ceremony "Oh, Promise Me" was played, and after the ceremony Mendelssohn's Wedding March.

A reception was held at the Hawaiian Hotel immediately after the ceremony, after which the young couple left by special train for Pearl City.

## CONVENTION RALLY.

## Christian Endeavorers Will Meet in Kawaiahao, Sept. 24.

On Friday night, September 24th, at 7:30 in Kawaiahao Church, there will be a Christian Endeavor Convention rally, when all the delegates to the San Francisco convention will report to the convention in five-minute speeches. It will be the first event of the kind in Honolulu, for never before has the International Christian Endeavor Convention been held near enough to the islands for Hawaiian endeavorers to go. The rally is held some months after the convention, because the delegates have been coming back slowly, one by one. The last will arrive the day before the rally. Rev. Sydney Gulick and wife of Japan, who were at the convention, are expected to help the Honolulu delegates at the rally. Rev. D. P. Birnie of Central Union Church will be back from the Orient just in time to attend the meeting. It is open to all and because of its unique character, it is expected many will attend. The next International Christian Endeavor Convention is in Nashville, Tenn. That of 1900 is in London, England. Perhaps there will never again be a meeting of just this kind in Honolulu.

## From Prof. Koebels.

By the Australia's mail Wray Taylor received a long letter from Professor Koebels, the Government entomologist, who is still in Mexico. The professor sent eight boxes of the Mexican beetle, *Carabidae*, the insects arriving in splendid condition, though they had been on ice for seven days. About 50 of the largest beetles were put into a glass jar with moss and then were fed on the Japanese beetle, going for them with a vengeance. As the Mexican beetles will not be liberated until this afternoon, anyone dropping into the office of the Bureau of Agriculture will be able to see them. Professor Koebels has also sent by mail some coffee seeds and seeds of a fruit known as "Nanche" that has medicinal properties, both in the flower and fruit.

A letter was received yesterday from Superintendent McLaren of the Golden Gate Park, San Francisco, thanking Mr. Marsden for sending a box of palms, which are doing well.

## Supreme Court Decision.

By a decision rendered yesterday the Supreme Court holds that since the law makes it "unlawful to sell or furnish tobacco in any shape or form whatsoever to minors under the age of fifteen years," a sale to such a minor for an undisclosed principal is a violation of the statute. A sale to such a minor upon his false representation that he is acting for a named principal is a violation of the statute. The case came up on exceptions from the Circuit Court in the Republic vs. Kim Yan. Tobacco had been sold to a boy 11 years old on his representation that the tobacco was for his father when in reality it was for a policeman who had given him the money. The decision holds that the object of the law is to prevent the use of tobacco by minors under the age of fifteen years, and the seller, knowing the law, sells to a minor at his peril. If a false statement by the minor would shield the seller, the law could easily be evaded. It is incumbent on the seller to ascertain whether the minor really has the authority he asserts.

## Volcano in Philippines.

LONDON, September 6.—A special dispatch from Madrid says that Mount Mayon, south of the Island of Luzon, Philippine Islands, is in a state of violent eruption, and that the streams of lava thrown out by the eruption reach to the seashore, a distance of 20 miles. Several villages have been destroyed and 500 persons are reported to have been killed.

"My boy came from school one day with his hand badly lacerated and bleeding, and suffering great pain," says Mr. E. J. Schall, with Meyer Bros' Drug Co., St. Louis, Mo. "I dressed the wound and applied Chamberlain's Pain Balm freely. All pain ceased, and in a remarkably short time it healed without leaving a scar. For wounds, sprains, swellings and rheumatism I know of no medicine or prescription equal to it. I consider it a household necessity." For sale by all druggists and dealers, Benson, Smith & Co., agents for Hawaiian Islands.

INFANTILE LOVELINESS of the skin, scalp, and hair is assured by the use of CUTICURA SOAP, the most effective skin purifying and beautifying soap in the world, as well as purest and sweetest for toilet, bath, and nursery.

To preserve, purify, and beautify the skin, scalp, and hair of infants and children, and restore them to a condition of health when affected by distressing, itching irritations and scaly eruptions, no other treatment is so pure, so safe, so speedy, as warm baths with CUTICURA SOAP, assisted, when necessary, by gentle anointings with CUTICURA, purest and sweetest of emollients and skin cures.

For bad complexions, pimples, blotches, red, rough hands and shapeless nails, red, rough, oily, mothy skin, dry, thin, and falling hair, itching and scaly eruptions of the skin and scalp, and simple baby blemishes, it is simply wonderful.

## B. F. Ehlers &amp; Co.

WAVERLEY BLOCK.

A Model Plant is not complete without Electric Power, thus dispensing with small engines.

Why not generate your power from one CENTRAL Station? One generator can furnish power to your Pump, Centrifugals, Elevators, Plows, Railways and Hoists; also furnish light and power for a radius of from 15 to 20 miles.

Electric Power being used saves the labor of hauling coal in your field, also water, and does away with high-priced engineers, and only have one engine to look after in your mill.

Where water power is available it costs nothing to generate Electric Power.

THE HAWAIIAN ELECTRIC COMPANY is now ready to furnish Electric Plants and Generators of all descriptions at short notice, and also has on hand a large stock of Wire, Cables and Electrical Goods.

All orders will be given prompt attention, and estimates furnished for Lighting and Power Plants; also attention is given to House and Marine Wiring.
